

CERTIFICATE

The certification body certifies that

Scholz Austria GmbH

Zinnergasse 6a
1110 Wien
Austria

with the site:

Fritz Kuttin GmbH

Floßländ 16
8720 Knittelfeld
Austria

has implemented and maintains a quality management system in the sector of:

Processing and trading of ferrous and non-ferrous scrap, acceptance and recycling of scrap metal, end-of-life vehicles and electrical equipment, dismantling, vehicle recycling, iron and metal recycling, electronic scrap recycling.

A certification audit has verified that this quality management system fulfils the requirements of the international standard

ISO 9001:2015

first certification on: July 31, 2020
valid to: June 7, 2029
(only in conjunction with the main certificate)

The validity of this SystemCERT certificate requires annual surveillance audits and a re-certification audit every three years.

Leoben, August 7, 2026
